

College Career Pathways Application

- Earn College Credits with the College Career Pathways Program •

There is nothing to lose and much to gain!

College Career Pathways (CCP) is a collaborative program between area high schools and Tunxis Community College.

It is designed to allow high school students to sample the rigor of college academics, and possibly earn college credit, while attending high school.

A Career Pathway is a series of courses that CCP students commit to taking in high school. Each pathway includes a designated math course, English/speech course, science course and a course or courses in a career area. The CCP courses meet the same level of rigor taught at the college level. Students earn “dual credit” (credit from their high school and credit from TCC).

How does it work?

- Students complete this application and give it to their guidance counselor. Guidance counselors determine student eligibility for the CCP program.
- Students must be in grade 11 or 12
- Students take college-level courses at their high school and meet grading requirements stipulated by the College; this may require students to take a college-required final exam or an academic assessment to get course credit, in addition to completing the course with the required minimum grade.
- Students earn college credit in the form of a transcript from TCC. Students may choose to come directly to TCC or they may choose to take the transcript to the college of their choice to inquire about transfer credit.

How much does it cost?

There is NO COST for students to enroll in the CCP program.

Earning FREE college credit now will help you prepare academically for your future.

It can also save time and money. The main requirements are EFFORT and DETERMINATION!

You should apply if...

- You feel prepared to challenge yourself with the rigor of college courses.
- You would like to explore career areas.
- You are determined to do your very best to succeed.
- You want to save time and money when you go to college.

Questions?

Speak to the College Career Pathways Coordinator at your high school.

College Career Pathways Program Application

OFFICE USE ONLY
STUDENT BANNER ID # _____

Directions: Please complete this form and return it to your College Career Pathways Coordinator. Forms that are not completely filled out will be returned to your high school. Your social security number is required by Tunxis Community College (TCC) for federal reporting and must be included. A Career Pathway must also be selected. (Each school offers different pathways-ask your CCP Coordinator for a list of available pathways.) *Please print as neatly as possible.*

If I am accepted into the College Career Pathways program, I agree to the following:

- I understand that the purpose of the CCP program is to familiarize myself with college level academic rigor, which can lead to earning college credit from Tunxis Community College.
- I must enroll in the required courses for my career pathway in my Junior and Senior year of high school.
- I understand that I must meet grading requirements stipulated by the College and that it may require me to take a college departmental final exam or an academic assessment to get course credit, in addition to completing the course with the required minimum grade.
- I understand that I must meet all requirements for attendance and graduation as set by my high school.
- I understand what is expected of me in this program and I will do my best to fulfill the requirements.

NOTE: Students may withdraw from the program at any time prior to graduation, without penalty, by informing their high school guidance counselor and completing a withdrawal form.

The Undersigned agrees that: The information on this application is true and accurate and will be kept confidential according to the provisions of the Privacy Act. Misleading or false information may result in the rejection or dismissal from the program. With your signature you are allowing your high school to release your academic information and records.

Applicant's Signature: _____ Date: _____

Parent/Guardian Signature (required): _____ Date: _____

Counselor's Signature (required): _____ Date: _____
